

Sponsorship Program 2022

You can consider helping at one of our four levels of sponsorship with various benefits mentioned below. If your organization has a goal to make global impact or you simply have the desire to make the world a better place, consider us to be your local partner. Strides for Africa, Inc. is a registered 501(c)(3) non-profit organization that is 100% staffed by volunteers. We are focused on clean water and education projects to benefit communities in rural Africa.
